Love Joy and Responsibility

9th June 2017

# Newsletter

In an attempt to enjoy the sunshine but stay safe in the sun, we have asked you to make sure your child comes to school already wearing suncream (this should last until they come home), brings a WATER bottle (no juice please) and brings a sunhat to wear. We have erected our gazebo on the field to offer the children some opportunity to sit in the shade.

We have spent the first full day of headship transition with Mr Woodford this week and he enjoyed meeting staff and children during his time in school. Next week, he will be in on Thursday and Friday. You will get the opportunity to meet him at the Summer Fair so please come along to spend your money and support your school.

Again, a plea to name your child's clothing so that when they leave jumpers/cardigans on the field we can reunite clothing with its owner. Also, please make sure PE kit is in every day as the children are doing lots of sport at the moment.

Please let the office know if you can help on the day – there will be two slots for helping out 3.30-4.15pm or 4.15-5.00pm. A sign-up board will be put out on the playground but if you know you can help in advance, please let the office know.

You can also help by making donations for the bottle tombola (eg **new** bottles of wine, beer, spirits, coke, lemonade, bubble-bath, etc); toys and books, cakes and donations for the summertime hampers which will be raffled on the day – see suggestions on the next page. These items should be brought into school on the day of the fair and in return the children will have a dress down day.

The fair will be really exciting with lots of things going on. The biggest fund raiser (and probably the most fun) will be wet sponging Mrs K! Other things include a range of traditional fun games, a bouncy castle, pamper bar, refreshments, obstacle course, hamper raffle, choir performance and much, much more. Mr Woodford, our new headteacher from September will also be attending so you will get a chance to meet him then.
