If you have visited our website, you may have noticed that Year 2 have 10 new arrivals. The children were very excited when they arrived in school on Wednesday to find an incubator with 12 eggs inside. By Thursday there were ten fluffy chicks cheeping away. As you can imagine, I have found plenty of excuses to keep popping into Year 2 over the last couple of days! No matter how old we are, there is something wonderful and moving about new life.

As we approach Red Nose Day (Friday, 24 March), you might want to purchase a red nose for £1. The fund raising young governors are out and about on the playground at the end of each day if you would like to buy one. We are celebrating RND by coming to school with "wacky hair".

Next week, Musical Theatre are holding their final rehearsals for their performances of Aladdin on Saturday 25th March. If you haven't bought tickets yet pop into the office as soon as possible – all are welcome to come and see the production. There are two performances – a matinee and an evening performance at the Oasis Theatre. Good luck to the cast and teachers – break a leg!

Thank you to the St John's Church team, led by Rev Julian as the weather was good enough for the second half of Year R/I to visit church on Monday and take part in a range of activities to help them learn about our lovely church.

We are working really hard to improve the outdoor space in YR/I at the moment and would welcome any donations of crates, planks, sleepers, block paving, drain pipes, guttering, saucepan and outdoor plants.

## Satellite Junior Hockey Coaching 9 years to 16 years

Southampton Hockey Club are running Satellite hockey coaching at Southampton Sports Centre on Monday evenings (term time only) 4pm to 5pm for Years 4 – 6 and 5pm to 6pm for Years 7 – 11. Please ask your children to promote these sessions for their school friends & teachers so that we can encourage more juniors to try out hockey and hopefully join our Junior section. **Please see attached posters with details. If parents could print a poster and drop off at School that would be great. First session is free. I will have hard copies of posters to give out on Sunday morning.**
