Love Joy and Responsibility

21st July 2017

Newsletter

This is my final newsletter as the Headteacher of our lovely school. I would like to say that it has been a privilege to serve the school and work with such fantastic adults and children. The staff work tirelessly to make the children's learning and time in school inspiring, exciting and challenging. The children work hard and always try to be the best they can be and, when it does go wrong, reflect on things and work out what they would do differently next time. Thank you to everyone.

The last three years have flown by and I leave today loving my job and all the challenges and fantastic experiences it has brought me. I believe that I have led the school always true to my values and to the best of my ability. The school is in a fantastic place and I know will go from strength to strength because of the great team of people that make the school such a great community.

May I take this opportunity to say thank you for my lovely gifts and for the beautiful send-off over the last two days.

I also wish other members of staff leaving today (Mr Brown, Miss White, Mrs Maxwell, Mrs King and Mrs Rogers) all the best as they move on in their lives and thank them for their commitment to our school.

The Year 6 children also take the next step in their educational experience today and it was lovely to send them on their way with an informal worship thinking about their past and looking forward to their future. These children have been a credit to their parents and the school always giving 110% and having a brilliant attitude to their learning and life in school.

I hope everyone has a wonderful break and comes back to school refreshed in September.

With love and God bless.
