Love Joy and Responsibility

20th January 2017

Newsletter

What a chilly, foggy and slippery week it has been. Thank you to Jamie for making sure the pathways were treated to keep us as safe as possible.

Thank you to Mr Warner for leading e-safety parent meetings this week, raising the profile of keeping our children safe on line. Thank you to those parents that attended and prioritised this important issue. We hope you found the session useful. Mr Warner will put some materials on the website in due course for you to access if you are interested but were unable to make the meeting.

I have this week monitored the attendance of all children in the school. Some of you may have received letters saying thank you for the improvement in attendance of your child since last year; some may have had a letter to inform you that we will be monitoring your child's attendance closely or inviting you in to work with us to improve it further. I know some of you have contacted the office worried about receiving this letter – to reassure those people, the percentage attendance was calculated out of the total number of sessions attended from the start of September term up until 17th January. If your child hasn't had any absence since then it will already have improved. If you have not received either of these letters, thank you for ensuring your child is in school as much as possible. Research shows that those children with over 95% attendance attain the highest at both the end of Key Stage 2 and in their GCSEs.

On the bunny front, Twinkletoes is much better. She has had two visits to the vets and one final check up. Her injury has meant that Bunny Club has been postponed for the last two weeks until she is fully recovered. Hopefully, next week Bunny club will re-start!

SICKNESS

If your child has had diarrhoea or vomiting, you must keep them off school for a minimum of 48hrs. If your child has a high temperature and is unwell before school please do not send them in as we will invariably have to send them home during the day. We do understand that parents and carers have to work but the children's well-being is our priority so we would appreciate your support on this matter.

Love is patient

Proverbs 16:32 (OLD TESTAMENT: WISDOM BOOKS)

It is better to be patient than powerful. It is better to control yourself than to capture a whole city.

SPECIAL K AWARD

BRANDON DAUGHTREY

This is a special award, given by Mrs K very rarely when someone really deserves it for doing something exceptional!!

GOOD LUCK to Ben Poulter who is taking part in the Hampshire Schools Table Tennis Association County Individual Finals 2017 today at Testwood Sports College.

YR 5/6 FOOTBALL LEAGUE

Week 1 - Cancelled

Week 2 - Well done boys, 3 out of 3 games won. a great start. Two more weeks to go!

CROSS COUNTRY

We would love to see more of you at Mountbatten school on Tuesday 4-5pm for the third Cross Country. This is open to all pupils in years 1-6. There is still time to come. The letter is on the website so please drop a slip back into the office.

TOY REQUEST

Lunch club are on the look out for a toy till for the children to play shops.

COLLECTABLE AND TRADING CARD GAMES

May we politely ask that your child does not bring any collectable or trading card games into school to play with at break or lunch. We have had a number of disagreements and cards go missing. Resolving these issues is taking up an increasing amount staff time. The children will have this explained during assembly today. MatchAttax cards will be allowed in on Fridays for lunch club only.

On Tuesday 24th of January children from our Musical Theatre group attended a singing workshop with Dominic Peckham at The Mountbatten School for the day. We sang songs such as a Prince medley, Freedom 99 and a variety of other songs which were a joy to sing. Over all it was a fantastic experience and all who went had a wonderful time! As attendees ourselves we thoroughly enjoyed the day and would recommend it greatly to anyone next year.
