

Year 1/2 Home Learning Activities

Here are your home learning activities for our 'Great Fire of London' project. You need to choose at least 1 activity from the boxes below to complete over this half term. Please bring your completed activities into school as you finish them for us to share. All home learning should be in school before Friday 13th December. Thank you.

If you think of something different to those that are listed, we look forward to seeing your creative ideas. We hope you have lots of fun completing your home learning project.

Make your own 2D/3D Tudor house using materials of your choice.

Make a fact file about what London was like in 1666.

What were the houses like?

What jobs did people do?

What equipment was used to put the fire out?

Design your own new city. How would you design your new city to help prevent the spread of fire.

Write/word process a diary entry from an eye witness experiencing the Great Fire of London describing what happened to them during the fire. Start from Sunday morning 2nd September 1666 and finish on Thursday 6th September.

Maths Challenge:

Mild- If there are 5 firemen and they each have two buckets, how many buckets are there?

Hot- If there are 7 firemen and they each have 5 buckets, how many buckets are there?

Spicy- If there are 2 houses on fire and each house needs 5 firemen with 2 buckets that are 10 litres,, how many Litres of water would there be?

What could you do to prove your answer?

Write a Great Fire of London glossary to clarify:

Fire Hook, Pudding Lane, spark, thatched roof, Thomas Farriner, St Paul's Cathedral

Make a poster for ways to stay safe in a fire.

With your grown up, build a fire in a safe, controlled place e.g. a bbq, a wood burning stove, fire pit.

Ask your grown up to teach you the different things that a fire needs to burn.
