DINNER MONEY - PRICE INCREASE FROM 1ST APRIL 2017 TO £2.15 The increase of five pence is being introduced to meet the rising cost of providing school meals, but we believe this continues to represent good value for money for a two course, freshly cooked school meal.

ONLINE PAYMENTS FOR TRIPS ETC Please be aware that if an online payment is made, the permission slip, indicating that the payment has been made online, must be returned to the school office via the letterbox outside Reception. Reply slips indicating online payment but without a transaction being made will be returned to your child. Please ensure you have paid online before returning the slip to school as trip places, etc. cannot be allocated until both have been received. Many thanks.

Please note that we will no longer be issuing receipts for payments of less than £15.00. This is following guidance from Hampshire County Council. If you would like a receipt for your payment please request this on the envelope. We strongly encourage use of our on-line payment system. Many thanks.

4-5pm at Mountbatten School

INSET

Friday 26th MAY

Monday 24th July

Tuesday 25th July

I hope that child-mail worked properly this week and that you are now aware that I shall be retiring at the end of this school year. Thank you to those parents I have talked with for their understanding and good wishes.

As Andrew, Chair of Governors, stated in his letter, taking the decision to leave has been a very difficult one. I love being the headteacher of Rownhams St John's Primary and feel hugely privileged to work with the staff and your children every day. The school has gone from strength to strength over the last three years and I know that it will continue to grow and flourish in the future.

Please let me reassure you that I will continue to give the school my very best for the rest of my time here. I am supporting the governors who are now working very hard to find my successor. The initial advert is now online on the Hampshire website and a more detailed one will go live next Friday.

Another piece of exciting news this week which brought a smile to everyone's faces has been that Twinkletoes and Snowdrop are boys not girls! Who would have thought it? I guess this explains the fact that they were fighting. We are now calling them Twinkle and Snowy!

Finally, a plea for your children's safety. There was a near miss in the car park on Tuesday (at the end of Musical Theatre club at about 4pm) when a parent's/carer's car began to reverse out of a space and almost hit two girls walking behind the car as they weren't walking on the path but in the car park itself. Please take extra care if parking in the car park and remind your children to walk on the paths.

Sainsbury's

Active Kids is back!!

Please collect and send into school with your child. The more we collect, the more equipment we receive for the children to use in school!!!

Many thanks.

GIVING

Proverbs 19:17 (OLD TESTAMENT: WISDOM BOOKS)

Those who are kind to the poor lend to the Lord, and he will reward them for what they have done.

YR 5/6 FOOTBALL LEAGUE

Week 1 - Cancelled

Week 2 - Well done boys, 3 out of 3 games won. a great start.
Two more weeks to go!

Week 3—Won 1, drew 1. Currently top of the league. Well done.

Week 4—Won 1, lost 1

Over the past three Mondays our boys football team have been taking part in the annual Football tournament at Mountbatten School.

The boys are now off to the Football Festival next Friday to hopefully complete the double. Watch this space!

HEAD LICE

By the time you read this letter it is probably too late to eradicate head lice effectively in school. Could I please remind you that checking and wet combing should be done on a regular basis, regardless of whether or not your child has head lice. Prevention is better than cure!

WEST COMBING METHOD:

- Wash the hair in the normal way with ordinary shampoo.
- Use lots of hair conditioner and while the hair is very wet, comb through the hair from the roots with a fine tooth-comb. Make sure the teeth of the comb slot into the hair at the roots with every stroke and do this over a pale surface, such as a paper towel or the bath.
- Wet lice find it difficult to escape and hair which is slippery from conditioner make it hard for them to grip – so removal with the comb is easier.
- Clear the comb of lice between each stroke.
- If you find any lice then repeat this routine every three to four days for two weeks, so that any lice emerging from the eggs are removed before they can spread.

USING LOTIONS:

- These are available from the chemist over the counter or on prescription for the children. The chemist will advise on which lotion to use. It is important to follow the instructions on the packet.
- If lice are found, it is most important to check and if necessary, treat the rest of the household. Regular wet-combing is part of routine hair washing and is the best way to prevent the problem recurring.

CROSS COUNTRY COMPETITIONS

Change of Venue – Tuesday 28th February and Tuesday 4th April at Mountbatten School.

The upcoming cross country competitions will now take place at Mountbatten School and NOT Rownhams and Cupernham Primary Schools on Tuesday 28th February and Tuesday 4th April respectively. This is to ease potential parking problems.
