- Whole school Olympics Dance Workshop **£560**
- PE resources and play equipment **£130**
- Upkeep and maintenance of our tangle tree and trim trail **£50**

#### **Impact of this funding**

- Increased opportunities for pupils to participate in Level 2 (local inter-schools) competitions which has led to participation in regional competitions
- Professional coaches able to lead sports sessions during and after the school day promoting a higher level of participation
- Supporting classteachers and LSAs to develop their teaching of PE and Sports and as a result children attaining a higher level of skill development
- Whole School workshops involved all children and staff raising the participation and involvement of all especially those children who don't normally take part. Workshops involved element of training mid-day supervisors resulting in improving quality of play and interactions at lunchtimes
- High quality PE resources raising the quality of PE delivery and making PE lessons more engaging for children
- Good quality play equipment making break-time and lunchtimes more active. Play leaders (adult and child) encouraging a wider range of children to take part in physical activity. Further impact of this has been that behaviour at break and lunchtimes is now very good
- A wider range of sports introduced to the children and opportunities for progression extended.

- Maintaining our tangle tree and trim trail enables the children to continually access this equipment and the impact of this is that a wider group of children are accessing equipment which develops them physically
- Increase in parent engagement and support for their children as the Sports offer is wider and more inclusive.

**Sustainability:**

The school is committed to sustain the quality of PE and Sports provision ensuring access to PE and Sport for all.
