**Love, Joy & Responsibility**

31 October 2017

Dear Parent/Carer,

## **Parent Governor Vacancy**

We have a vacancy for a parent governor which we need to fill as soon as possible. Rownhams St John's Primary School has always aimed for a partnership with parents which undoubtedly brings great benefits to the children. One of the most significant ways you can help in promoting this aim is to volunteer to be a parent governor.

Wendy Rees has already made it clear that she will stand for reelection and has been a committed member of the Governing Body in the last four years. She already has all the skill sets which we would be looking to reappoint in this role. If you feel however that you also have these skill sets and could add real value to the Governing Body we would welcome your application.

The governing body's main tasks are:

- to ensure that the school has a clear vision, ethos and strategic direction;
- to hold the headteacher to account for the educational performance of the school and its pupils;
- to oversee the financial performance of the school and making sure its money is well spent.

Parent governors are welcomed as valued members of the team and play a vital role in ensuring the governing body is aware of the views of parents and the local community. We feel sure that there are parents prepared to take on this important role and give their time and commitment to helping us to continue to improve the school's performance.

In looking to fill this vacancy the governors of the school have identified the following skills, experience and attributes that they feel would help strengthen the governing body:

- Highly competent literate skills and attention to detail
- Highly proficient communication skill set
- Able to understand data and challenge appropriately.

Training and support will be available to help you develop into the role. This will include in-house mentoring and support as well as access to external governor training.

If you feel you can help in this capacity please contact the office for an application form which will need to be completed and returned to the school by 12.00 noon on 10<sup>th</sup> November 2017.

The guidelines giving full details about how vacancies are filled can be found on the school's website. You should also look at the information for prospective governors on the [Hampshire County Council website](#).

You will find video, e-learning and written information on the site and all of these will provide you with further details about the role.

Please note that for the protection of children all governor appointments are subject to an identity check.

If there are more applications than vacancies, we will hold an election and you will be sent a voting paper in due course. You may return the ballot paper either via your child or by post.

Yours sincerely,

Andrew Brown  
Chair of Governor
