

Coffee morning (1st February 2018)

Our wonderful PTA will be holding a coffee morning on the 1st February. We are planning to hold regular events, such as this, to develop and parents and carers partnership – and to raise funds for the school. Each coffee morning will have a theme so there may be a short presentation from a member of staff or performance from some children. On this occasion, I will provide a short presentation on our Strategic Vision 2018 and there will be other guests which are yet to be confirmed! Doors will open straight after drop-off so come and join us and presentations will be shortly after (about 9am).

For those of you who are unable to attend the coffee morning, resources will be shared on our website. We also intend to hold other sessions for parents at different times so that you can join us in the near future.

New Deputy Headteacher appointed

Yesterday we held an intensive selection process in order to appoint our new Deputy Headteacher. We had a large number of applicants which were whittled down to three for the day and I am pleased to announce that Lisa Pothecary-Phillips, our current KS2 leader, was successfully appointed. She went head-to-head with two very capable and competent external candidates and demonstrated that she has the skills and passion to take on the role. This will begin in the summer term, however, Lisa will remain the class teacher for her current class at least until the SATs are over and probably until the end of this academic year when we will review her role for the 2018-2019 academic year.

I am sure you will join me in sending Lisa many congratulations.

Best wishes,
Tim Woodford
