They will be taking part with other local Romsey based schools as part of the Schools Pyramid scheme. Please ensure they have plenty to drink and some snacks. There is time in between games to eat. The event will take place in the main sports hall.

Due to regulations in the transporting of children we are unable to offer transport for the children through school. Any travel arrangements for your child should either be with yourself or with another adult that you have entrusted.

Please complete the permission slip below agreeing to your child taking part in the event and that you are able to arrange transport for them to and from the event. It will be your responsibility to ensure your child has an INHALER with them if required.

As this is invitation only please ensure the slips are returned by Friday 14th June to enable us to invite others.

From Personal Best Education

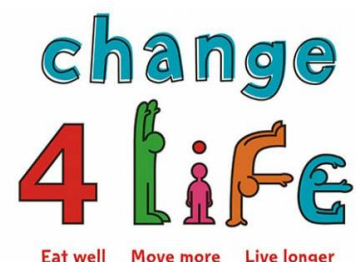

Thank you for your ongoing support for the Romsey Pyramid Schools Competition Programme. Without the help of parents, staff and family members transporting students to and from events, our competitions would not be able to take place.

Unfortunately we do not have the capacity for adults interested in spectating.

Please do not hesitate to contact the school office if you have any further questions.

Yours sincerely,

**Mr Brown

Romsey Pyramid Competition Programme

Safeguarding Strategy

Dear Parents/Carers

Thank you for your ongoing support for the Romsey Pyramid Schools Competition Programme. Without the help of parents, staff and family members transporting students to and from events, the competitions would not be able to take place.

To ensure Personal Best Education and the Test Valley School Games Organiser are following the appropriate safeguarding policies, any adult hoping to attend a festival at The Mountbatten School must abide by the following control measures:

1. **Adults staying as additional support** – If you have been specifically asked to help at the festival by your school's PE Coordinator please park and come to the sign in table with your PE Coordinator to sign in.
2. **Adults dropping off only** – Please drive through the school car park, following the blue barriers closest to the school building to the sign in table, which will be clearly visible near the exit of the school. Students can be dropped off here, and you will be able to exit as normal.
3. **Adults coming to spectate** – Adults hoping to spectate cannot enter the school site before 1:45pm. If you are dropping students off, please park and walk your students over to the sign in desk. You will then need to return to your vehicles until 1:45pm. At this point, if there is space for spectators you will be able to make your way externally to the competition location.

Unfortunately, we do not always have the capacity for adults to spectate. Please always check with your PE Coordinators if there is room, as often there is not and unfortunately this means that you will not be able to stay.

No space for adults to spectate for any indoor festival.
Outdoor festivals should be ok, but please always check with your PE Coordinator.

Thank you again for your ongoing support and understanding.
