

# Our Curriculum

## Rownhams St John's Church of England Primary School

At Rownhams, we are passionate about delivering a curriculum that develops the **whole child**. We raise aspirations and make learning **irresistible** for all children, enabling each individual to gain the skills, knowledge and understanding so that they can thrive as happy, confident and healthy individuals.

Our **integrated** curriculum makes it possible for us to be purposeful, relevant and adaptable in our teaching: following lines of enquiry; keeping up with worldly affairs; developing pupil voice and stimulating deeper **thinking**. We ignite curiosity and creativity through the use of inspirational hooks and meaningful outcomes which foster a sense of awe, wonder and self-worth. Real life experiences, the use of technology and trips enhance the learning for all children which offers fulfilment at all levels.

At the heart of our Rownhams curriculum, you will find our core **values** and our **learning** behaviours. These encourage children to be conscientious learners and thoughtful young people - developing healthy attitudes and habits that support them in a rapidly changing world.
